RIPE Meeting Principles

- Open to everyone

- Bringing people together from different:

  - Backgrounds, cultures, nationalities, beliefs and genders

- The RIPE community is a **safe**, **supportive** and **respectful** environment

RIPE Meeting Code of Conduct

For over a quarter of a century, the RIPE community's strength comes from its breadth of experience, diversity of views, and an open, respectful exchange of ideas – values that we want all of our RIPE Meeting attendees to uphold.

Please treat each other with tolerance and respect. Free speech and an open exchange of ideas are encouraged and celebrated.

Demeaning, intimidating or harming anyone at the meeting is wrong. We are especially sensitive to behaviour that offends based on gender, sexual orientation, religion, race or ethnic origin, or other perceived social, cultural, or personal differences.

Code of Conduct 2.0

- The RIPE Diversity TF has been working on a more detailed CoC

- Based on CoCs from Django & Write the Docs communities

- Great engagement from the Diversity TF mailing list

- More details on the principals of the CoC and the process for CoC violations

- Will be shared in an Lightning Talk [which one, TBD]

RIPE Meeting Trusted Contacts

- Please report violations of our CoC to our Trusted Contacts
- Approach Mirjam or Rob in person or email

RIPE

RIPE Chair Selection Process

- ripe-714 was published in January (describing the role and tasks of the chair)
- Two docs:
  - Selection of the chair (and vice chair) through a NomCom process.
  - Composition and selection of the NomCom (through a random process based on the IETF's BCP 10)
- Documents sent to the ripe-chair-discuss mailing list
- BoF on Tuesday to discuss this further
- ripe-chair-discuss@ripe.net

RIPE 'Big Picture' BoF - Today at 18:00

- Internet has become a fundamental part of our society

- How does this change:

- Responsibilities that the RIPE community has towards wider society in general

- The role of the RIPE Database and the RIPE Registry

RIPE Accountability Task Force

- TF published final report:
  - https://www.ripe.net/participate/ripe/tf/ripe-accountability-task-force
- Great work by the community
- Will instruct the RIPE NCC to make this into a RIPE doc
- We will then need to think about which recommendations require further attention

RIPE Networking App

- Open source, built by the RIPE NCC

- Use your RIPE NCC Access account to log in

- Schedule meetings with other app users, send messages, browse attendee list, customise your schedule for the week

- There's a help desk in the lobby

- Download it from the App Store, Google Play use it on the desktop

- https://ripe78.ripe.net/on-site/ripe-networking-app/
