

RIPE

A large graphic element on the left side of the slide. It features the word "RIPE" in white, bold, sans-serif font. Below the text are two horizontal white bars of different lengths, and two vertical teal bars of different heights, all overlapping to create a stylized cross-like structure.

## RIPE Chair Selection Process

# How we got here (pre-history)?

# How we got here (ancient history)?

---

- In 2016, Hans Petter started the discussion by publishing an article on RIPE Labs
- At the same time an open discussion mailing list was set up: ripe-chair-discuss
- At RIPE 76 in May 2018, Anna Wilson led a community discussion
  - to gather input on the elements that form the basis of a proposal which was published on RIPE Labs in July 2018

# How we got here (recent history)?

---

- Based on discussion, another RIPE Labs article was published
  - documenting consensus at the time
- After that more people shared their input on the mailing list
  - leading to another face-to-face discussion, again led by Anna Wilson during the closing plenary at RIPE 77 in October 2018
- During that meeting it was decided to first establish consensus on a description of the role of the RIPE Chair
- This has been published as ripe-714

# The RIPE Chair Selection Process (ripe-yyy)

---

- Draft version 1.1
  - discussed and revised based on community discussions between March 2019 and May 2019
- Details of the nominating committee are referred to a separate document
- This document appears to be ready for a consensus call

# The RIPE NomCom (ripe-xxx)

---

- Draft version 1.1 (sent to list on 11 May)
  - **very close** adaption of IETF NomCom process (BCP 10)
  - proven process with lots of exception and error handling
  - much longer and more detailed than RIPE is used to
- We do not propose to automatically track future changes of BCP10 (this is a ripe-doc)

# The RIPE Chair Selection Process

---

- Introduces role of Vice-Chair
- Term: two terms of five years
- Timeline
  - Nominations RIPE Meeting
  - Consultation RIPE Meeting
  - Transition RIPE Meeting
- Selection by NomCom
